Highlights

"Evolution not revolution"

...while making it...

- more inclusive and accessible
- broader and forward-looking
- more participatory and focused on developing EU awareness
- more international
- in synergy with other EU instruments
- simpler

Objectives I

General objective

Support the educational, professional and personal development of people in education, training, youth and sport, in Europe and beyond, thereby contributing to sustainable growth, jobs and social cohesion and to strengthening European identity

Objectives II

...and link with policy framework:

- Building a **European Education Area**, supporting the implementation of the European strategic cooperation in the field of **education and training**

A broader and forward looking Erasmus

- targeted **mobility** in strategic, **forward-looking fields**
- New ambitious formats of cooperation, such as **European Universities, Centers of Vocational Excellence and Partnerships for Innovation**
- Introducing **mobility in the field of sport** and
- ... in support of **other policy areas** (green Erasmus, entrepreneurs, public sector, etc.)

A more participatory Erasmus

- Supporting new actions to empower young people to participate more actively in society - **Youth participation**
- Bringing participants closer to the local communities – **ErasmusAlumni**
- Launching new opportunities for young people to learn about and discover Europe through travelling – **DiscoverEU**
- Promoting **knowledge** and **awareness of the EU and its common values** to a wider audience – **Jean Monnet**

A more international Erasmus

- Boosting **international** mobility and cooperation
- Extending **international** dimension to new sectors, such as **vocational education and training**
- Erasmus Mundus Joint Master Degrees **for European students at international level**
- Erasmus international complemented by **EU external instruments**

Synergy with other instruments

- **Structural Funds**
- Horizon Europe
- Creative Europe
- European Solidarity Corps
- InvestEU

For example to...

- **scale-up** successful projects
- **top-up funds:** additional support to specific target groups or actions (or reserve list)

A simpler Erasmus

- Lighter application forms
- Use of the “Charters” for mobility projects
- Shorter reports
- Improved on-line tools
- Less administrative requirements for beneficiaries
- Further improve the use of simplified grants (e.g. use of lump sum for small scale partnerships)
